STATOTHR

I appreciate very much the trouble you went to in changing your itinerary in order to make it possible for us to consult with you on Saturday, 12 January 1957, in connection with our plans for food service in our proposed new building. Our discussion was most helpful and I regret that under the circumstances...which I fully appreciate...it will not be possible for you to participate more fully with us as our plans go forward. Certainly this is a highly specialized part of our over-all planning concerning which we need expert advice such as yours, and I do hope that it may be possible for us to chat with you again on this subject when you are in the east on other matters.

Aside from the day's business, I thoroughly enjoyed meeting and talking with you and sincerely hope that our paths will cross again in the not too distant future.

I am enclosing herewith a check in the amount of \$200.00 which I trust will be satisfactory to you in payment for your services on 12 January.

Sincerely,

15/
L. K. White
Deputy Director
